1. Placement

A current copy of these Bylaws shall be provided to, and maintained by, the City of Gresham. An electronic copy of these Bylaws shall be provided, upon request, to any member of the Association insofar as is possible without expense to the Association.

2. Conflict of Interest

Board members, officers, and committee members shall exercise sound judgment in the discharge of their duties and when interacting with others so as to exhibit the utmost professionalism. When a board member, officer, or committee member determines that a conflict of interest exists relating to an item under discussion, he/she is required to inform the deliberating body (whether committee, Board, or general membership) of the existence and nature of the conflict which shall then be recorded in the meeting minutes. An individual so encumbered may choose to abstain from voting on related motions and can be excluded from voting upon a majority vote of the deliberating body.

3. Indemnification

In addition, the Association shall indemnify and hold harmless all directors and officers from and against all costs, losses, liabilities, damages, claims, and expenses, including attorney fees as incurred at trial and on appeal, arising from any act committed or omitted in their official capacity, provided that such act:

- A. Is consistent with these Bylaws;
- B. Is committed or omitted in good faith;
- C. Is in furtherance of the business or affairs of the Association;
- D. Is performed, if required by state law, by an individual holding a proper license or certificate;
- E. Does not involve the operation of a motor vehicle;
- F. Does not constitute willful, criminal, or reckless misconduct or gross negligence;
- G. Does not constitute a crime of violence, hate, sexual behavior, or intoxication (alcohol or drugs);
- H. Does not constitute a violation of civil rights, labor, or tax laws; and
- I. Does not personally and improperly benefit the Representative at the expense of the Association.

The satisfaction of any indemnification under this section will be from, and limited to, Association assets. Association members shall not have any personal liability on account thereof.

4. Liability

No director, officer, or member of the Association shall obligate the Association, by contract or otherwise, to perform any act or to incur any liability without prior authorization of the Board, recorded in the minutes of any meeting at which such authorization is approved.

5. Amendments

These Bylaws may be amended at any Membership Meeting at which a quorum is present, by a majority vote of all eligible members present and voting at such meeting.

6. Association Information

All announcements, press releases, and other public disclosures must be approved by the Board. The Association's general policy shall be to fully disclose all information relating to the Association at the time and in the manner required by law or as approved by the Board.

7. Severability

If any provision or provisions of these Bylaws shall be held to be invalid, illegal, unenforceable or in conflict with the laws of the State of Oregon, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
